UHR staff award

United Hospice of Rockland Executive Director Amy Stern presented the 2008 Harvey Pachter Staff Recognition Award to UHR Special Events Coordinator Connie Grunfeld at a special ceremony. Established in 1997, the annual award, which honors the memory of Harvey Pachter, a longtime Hospice supporter, honors a dedicated UHR staff member for extraordinary service to the organization and the community.

In presenting the award, Stern said, "Connie Grunfeld's loyalty and commitment is clearly demonstrated by her long UHR tenure of 13 years. Her dedication to hospice, its mission and goals is evident in her every thought and action. Over the years, she has willingly and enthusiastically

called taken on increased responsibility within the department. She effectively coordinates the many different permutations of our special events committee. She works diligently with community groups to develop collaborative relationships to maximize the success of the events that they have established on behalf of UHR. Most recently she coordinated UHR's year-long commemoration of our 20th anniversary. To many volunteers and donors, she is the face and voice of Hospice."
