### Teenagers raise cash for hospice

**NEW CITY:** United Hospice of Rockland's Youth for Hospice will hold a car wash and bake sale from 10 a.m. to 4 p.m. Sunday at the Hospice Center, 11 Stokum Lane.

The money raised will benefit United Hospice. Youth for Hospice, founded by several Clarkstown High School North students three years ago, is a group of teens who first met to plan a Dance-A-Thon to benefit the hospice. After that success, the teens became involved in working with the hospice in fundraising and other activities. The group now has more than 60 members and is open to all Rockland teens. Call Lisa Denburg at 845-634-4974.
